## 1. INTRODUCTION AND BACKGROUND INFORMATION

The Eastern Cape Provincial Economic Development Strategy was developed in 2016 and adopted by the Executive Council in 2017. The Eastern Cape Provincial Economic Development Strategy (PEDS) has sought to:

- Create a clear, long-term vision and strategy for the growth and development of the Eastern Cape by building on the strength and opportunities of the province, while at the same time addressing its weaknesses and threats;
- Mobilise all development partners to achieve predetermined development objectives and targets;
- Promote inclusive economic development that is geared towards specific priority sectors that either have strong latent potential or which are existing provincial strengths;
- Spatially contextualize and prioritize proposed interventions in the province so as to achieve spatial equity in alignment with other key provincial and national projects;
- Guide the activities and resource allocation of provincial government as well as other spheres of government, the business sector, organised labour and other role players from civil society that can contribute to development in the Eastern Cape;
- Define clear targets and indicators as well as establish effective monitoring, reviewing and evaluating processes for the various interventions or drivers; and
- Ensure strong buy-in from provincial and national department to ensure that the desired outcomes are achieved while at the same time ensuring that the PEDS is afforded its status as the primary plan for the Province.

Now that the PEDS is five years into its implementation, it is necessary to undertake a review and update of the Strategy. This will assist in:

- Taking into account new economic developments that have arisen since the adoption of the strategy, such as the emergence of the 4IR and other key provincial strategic imperatives;
- Broaden the scope of the strategy to include other sectors such as transportation,

creative industries as well as economic infrastructure;

- Align the strategy to new plans such the National Economic Growth and Recovery Plan, the National Sector Masterplans, and the Provincial Economic Recovery Plan (Post-COVID);

## 2. OBJECTIVES, SCOPE OF WORK AND DELIVERABLES

The main objective of the project is to review and update the PEDS. - Based on Economic Scoping and Gap Analysis, identify key stakeholders and develop a consultation plan for the PEDS review;
- Interactive consultations in order to deepen the situation analysis as follows:
  - Comment sourced on the first phase situational analysis and broader framing of the strategy to meet the holistic vision, mission, and goals of the Economic Development Cluster; and
  - Comment sourced on the identified prioritized sectors and enablers, specialist expertise and advice provided to augment and update the PEDS 2017.
- Drawing on the Situation Analysis and Interactive Consultations, a draft PEDS 2022 framework is developed, together with a workshop starter document;
- Facilitation of stakeholder workshops in presenting the strategic framework and formulating credible action plans to accompany the strategy;
- Development of an appropriate programme for the workshop with accompanying starter documentation for workstreams;
- Facilitation of the above processes.
- Specialist skills for action planning related to each sector. It is envisioned that there will

be:

- A main plenary in presenting the strategic framework and opportunity for inputs;
- Multiple work-streams derived from priority sectors and economic enablers; and
- A final session for presentation of work streams back to the main group.
- All the information derived from the workshops consolidated into targeted action plans and synthesised into a coherent Provincial Economic Development Strategy;
- Further research may be necessary in certain instances where there are gaps in knowledge;
- The process should yield a workable roadmap for economic development in the province;
- Development of materials for submission of the final Strategy to the Economic Development Cluster system, ED Cabinet and Exco;
- Presentation of the PEDS 2022 to the Economic Development Cluster system, ED Cabinet and Exco.
